T-Series™ WindTunnel® Bagged Upright

Model Number: UH30300

Warranty: 2 Year

- Only 15 pounds - light and easy to use with thorough cleaning power.
- WindTunnel® technology - removes embedded dirt and minimizes blowback and scatter on carpet
- One-Touch Bag Door Release - fast and easy access to the bag
- Clean-Drop™ Bags - one simple touch releases the full bag directly into the trash, so you never have to touch the dirty bag
- Intuitive Power Controls - right at your fingertips
- HEPA bag filters and traps 99.97% of dust and pollens down to 0.3 microns
- On/Off Brushroll - push button to easily transition from carpet to hard floors
- Bag Check Indicator - easy-to-see, shows you when to replace the bag for optimal performance
- Headlight - illuminates dark corners and areas under furniture for thorough cleaning
- 5 Position Carpet Height Adjustment - adjust as needed to clean all flooring types easily and efficiently
- 30' Power Cord - vacuum a large room without re-plugging
- No Scuff Clear Bumper - protects furniture when you can't be as careful as you'd like
- Easy Belt Change System & Brushroll Access - simply flip two levers to change the belt or access the brushroll

On-Board Tools:

- Air-Powered Hand Tool
- Extension Wand
- Crevice Tool
- Upholstery Tool/Dusting Brush
- 8' Stretch Hose
