## HOOVER

### WindTunnel® MAX™ Bagged Upright

Model Number: UH30600  
Warranty: 2 Year

WindTunnel® MAX™ Technology offers 3 channels of suction that remove dirt with less scatter. Consumers can clean quickly and efficiently with up to 17-feet of above-the-floor cleaning reach, seven floor settings for every floor type, and a 15-inch wide nozzle that devours anything in its cleaning path.

- Three Channels of WindTunnel® MAX™ Technology - 3 channels lift and remove even the hidden dirt from carpet
- 30' cord - vacuum a large room without re-plugging
- 15" Nozzle Width - Clean more carpet in one pass
- WindTunnel® MAX™ Stretch Hose - extended above-the-floor cleaning reach for stairs, window sills, and hard-to-reach areas
- One-Touch Bag Door Release - fast and easy access to the bag
- Clean Drop™ Bags - one simple touch releases the full bag directly into the trash, so you never have to touch the dirty bag.
- Bag Made with HEPA Media - HEPA media traps 99.97% of dust and pollens down to 0.3 microns
- Performance Check Indicator - easy-to-see, shows you when to replace the bag for optimal performance
- Seven Floor Settings - adjustable nozzle for every floor type regardless of the surface
- Brushroll On/Off Pedal - control for use on bare floors and automatically turns off when in the upright storage/tool use position
- Intuitive Power Controls - conveniently positioned right at your fingertips

#### On-Board Tools:

- Air-Powered Hand Tool
- 12-Inch Crevice Tool - helps clean nooks and crannies
- Upholstery/Dusting Brush - helps get furniture clean
- Telescoping Extension Wand - extends reach of the hose
